

This Sunday is Pentecost!

So, what is Pentecost exactly? It is when we remember the day that the disciples received the Holy Spirit in a special way. The story, in Acts 2, describes a powerful wind and tongues of fire as the Holy Spirit was poured out onto the people who traveled from all over the world to Jerusalem. At the first Pentecost over 3000 people were baptized, creating the first church! We typically associate the color red with this day as a reminder of the tongues of fire that empowered the apostles.

I found a really great video to watch that tells the story in a fun way:

Also, if you can- with your parents' permission and help, check out The Bible App for Kids by YouVersion. There are so many great interactive bible stories and games, including one about Pentecost. It is a great app to continue to learn and to refresh our minds! Here is the link: <https://www.youversion.com/the-bible-app-for-kids/>

Let me know if you have any questions or comments. I would love to hear from you all on how you are doing!
